MAC LAND BYRON—A member of our 1965 show herd that was champion at a number of county fairs this summer and also a member of our second-place senior get-of-sire at DuQuoin. A bull that carries thickness and depth of quarter that should please any prospective buyer. We have used this bull on four or five heifers and have never had to require a second service.

At last year's sale, George McLachlan & Sons, Evart, Mich., consigned both the grand champion bull and grand champion female. This year they are back with two more top quality entries by Louada Broadsword, sire of last year's champions.

LAKESIDE BANNER—1965 Michigan State Fair senior champion and reserve grand champion. A half brother to our Midwest sale grand champion bull and female last year. Probably the best son of Louada Broadsword and a bull that looks very much like his sire. A great-headed, thick, meaty bull that moves powerfully on strong feet and legs. With his strong pedigree this bull can't miss being a great one. We have used this bull liberally and it was after long deliberation that we decided to sell him. We must retain a semen interest however.
